

The health and wellbeing of our families and staff are our highest priorities. After careful consideration and review of protocol involving the present public COVID-19/social distancing situation, Berean Christian School will operate its annual Summer Camp from the dates of Monday, June 29 to Friday, July 24, 2020.

In an effort to continue limiting and mitigating the risk of exposure or transmission to our school and the community, the following precautionary measures have been put in place:

Access to BCS

- Only approved staff members and summer camps' enrolled students will be allowed beyond the gated school campus. All drop off and pickup of students will be conducted at curbside, under the overhang of the 200 building lobby (K5-8). Check-in will be set up in the lobby entrance so students can go directly into the SCC for supervision.
- Staff or children who are displaying Covid-19 like symptoms will not be allowed on Berean's campus.
- All staff and attending children must participate in a temperature check prior to entry. Parents are advised to keep children home for at least three days if a temperature of 100°F is recorded at the entry point or at any point during the day. A doctor's note to return must be submitted to the camp Director for review prior to the child returning to the summer camp program, with an indication of a non-Covid-19 condition.
- BCS hours of operation are 8:00 am to 4:00 PM. Limited access will be allowed for BCS administrative staff, Grace Fellowship staff and approved vendors. Summer Camp drop-off begins at 7:00 AM (extended care fees apply) and pickup must be completed by 6:00 PM (extended care fees apply). Additional charges will be incurred at a rate of \$1 per minute after 6:00 PM.

Camp Protocol on Berean Property

- Under Phase One (50% capacity) and Phase Two (75% capacity) restrictions, social distancing will be observed by all staff, children and groupings. Under Phase One, student/staff ratios will be held to 10:1 grouping, with additional staff assigned to individual site cleaning between each group rotation to the next on-site station.
- Groupings will not be merged. The camp will use the SCC (200 building theatre) for a VBS setting, the art room, the cafeteria, the divided gym and the soccer field to the west of the gymnasium.
- **All children will be mandated to wear an appropriate mask as specified by the Palm Beach County Commission Board on June 23, 2020, except during vigorous activities in the gym, outside activities, snack time and lunch time.**
- Limited sharing of objects will be supervised. All athletic equipment will be cleaned prior to a new group entering the area.

Cleaning and Disinfecting Practices

- BCS will clean the camp facilities each evening with a disinfectant product called Bioesque Botanical Disinfectant Solution. The product kills 99.9% of bacteria, viruses, fungi and molds for up to four days. The solution is a no-rinse solution, even on Food-Contact Surfaces. The solution will also be used throughout the day for station to station cleaning of surfaces and equipment prior to children entering a new area.

K5 - 8th Summer Camp
Health Protocol
Waiver of Liability

- Provide and maintain hand hygiene stations for staff and children, including hand washing with soap and water and paper towels. An alcohol based hand sanitizer will be available in each area where hand washing is not feasible.

Communication

- Implement mandatory health/temperature screening prior to camp entry before BCS staff can commence work each day and for enrolled students prior to camp entry each day.
- Maintain an up-to-date log of staff and children sign-in with health screening information.
- Maintain a cleaning log for camp and at each camp station throughout the day.
- Maintain complete contact information for all parents and exercise immediately parent notification in the event that a child becomes sick. When a parent receives a call to pick up their child who is displaying COVID-19 symptoms, pick up must take place within one hour after receiving the calling.
- Communicate immediate notification of any suspected COVID-19 illness to the Health Department and follow all recommended CDC procedures.

Activities and Risks:

Berean Christian School will be taking health precautions this summer in an attempt to minimize risk exposure. However, I, Parent, acknowledge that BCS can only attempt to minimize the risk and cannot control camper or staff member contact outside of the BCS Summer Camp program setting. Further, while BCS will implement procedures to maintain social distancing, I, Parent, acknowledge that the BCS Summer Camp will have children attending and children do not always follow guidelines that are implemented.

Acknowledgement and Assumption of Risks:

I, Parent, have read and understand the protocol and expectations of the Berean Christian School Summer Camp and risk of exposure to the COVID-19 and/or other communicable diseases. After reading and understanding the aforementioned policies and procedures, I wish to enroll my child in the activities of the Berean Christian School camp.

AGREEMENTS OF RELEASE AND INDEMNITY:

I, Parent, for myself and, to the extent allowed by law, on behalf of my child, agree to release and discharge Berean Christian School and Grace Fellowship, and their respective directors, administrators, employees or related entities with respect to any and all claims related to contracting the COVID-19 and/or other communicable diseases and any loss, bodily injury or damages associated with it which I or my child may suffer, arising out of or in any way related to him/her being enrolled in the summer camp program, and on or off the camp premises. I further agree to indemnify (that is defend and pay, including costs and attorney's fees) and hold harmless the released parties from claims brought by any other member of my, or my child's family, and claims brought by others, including other campers, who claim loss caused by my child, from and against any loss, damage, claim, suit, liability, demand, cost and/or expense, paid or incurred by a released party, or asserted against any of them (including attorney's fees, court costs and disbursement) caused in whole or in part, by, or arising directly or indirectly from my child attending Berean Summer Camp.

K5 - 8th Summer Camp
Health Protocol
Waiver of Liability

These agreements of release and indemnity include claims caused or claimed to be caused in whole or in part by the negligence of a released party. I understand that in signing this agreement, I, for myself and for my child(ren), to maximum extent allowable by law, surrender the right to make a claim or file a lawsuit against a released party.

I acknowledge that I have read this waiver/release of liability and fully understand that this is a release of liability. I am waiving any right that he or she may have to bring legal action to assert a claim against the released parties.

I, Parent, or legal guardian, have read and accept the current health and safety protocol at Berean Christian School Summer Camp in response to the COVID-19 pandemic and have read and accept the terms and conditions of this Agreement and acknowledge and agree that it shall, to the fullest extent allowable by law, be effective upon me and my child, and our respective heirs, personal representatives, estates and family members.
