

**Health Protocol
Waiver of Liability**

NOTE: The registration form and \$50.00 registration fee must be received by this Friday, June 26th, by noon, 12:00p.m. In order to establish a preschool summer camp, a minimum number of children must be registered. If this minimum threshold is not met, the preschool camp will be cancelled.

The health and wellbeing of our families and staff are our highest priorities. After careful consideration and review of all protocol involving the present public COVID-19/social distancing situation, Berean Christian School will operate its annual preschool summer camp from the dates of Monday, June 29 to Friday, July 24, 2020.

In an effort to continue limiting and mitigating the risk of exposure or transmission to our school and the community, the following precautionary measures have been put in place:

Access to BCS

- Only approved staff members and summer camps' enrolled students and parents will be allowed in the preschool lobby. Preschool children and parents who are fever free and do not exhibit symptoms of a communicable disease, including COVID-19, will be allowed to enter the lobby where sign-in/out will take place. A staff member will escort signed in/out children to and from the classroom. Parents need to allow more time than usual for the sign-in and sign-out procedure.
- Staff or children who are displaying Covid-19 like symptoms and symptoms of other communicable diseases will not be allowed on the campus of BCS.
- All staff and attending children must participate in a temperature check before entering the preschool building. Parents are advised to keep children home for three days if a temperature of 100°F is recorded at the entry point or at any point during the day. A doctor's note to return must accompany the student prior to returning to the summer program, with an indication of a non-Covid-19 condition.
- BCS Preschool Summer Camp will operate from 7:00a.m. to 6:00p.m. As mentioned above, parents and children will be temperature checked before entering the preschool building. See first bullet above for sign in/out procedures.
- Limited access will be allowed for BCS administrative staff, Grace Fellowship staff and approved vendors, all subject to a temperature check before entering the preschool building.

Camp Protocol on Property

- Under Phase One (50% capacity) and Phase Two (75% capacity) restrictions, social distancing will be observed by all staff, children and groupings. Under Phase One, student/staff ratios will be held to a 10:1 grouping, with additional staff assigned to individual site cleaning between each group rotation to the next on-site setting.
- Groupings will not be merged. Preschool camp will be conducted exclusively in the preschool building and on the preschool playground.
- Preschool summer camp children will not be required to wear a face covering/mask. If a parent wishes for their child to wear a mask, they will need to provide a minimum of three, solid color (cloth or disposable), behind the ear style masks for their child's use. This will assist the child's good hygiene in the event a mask becomes soiled or broken. Staff will advise parents when to supply fresh masks. Preschool teachers and staff will make every effort to see to it that the child wears the mask. These children should be in the habit of wearing masks prior to attending preschool summer camp.

**Health Protocol
Waiver of Liability****Cleaning and Disinfecting Practices**

- BCS will clean the camp facilities each evening with a disinfectant product called Bioesque Botanical Disinfectant Solution. The product kills 99.9% of bacteria, viruses, fungi and molds for up to four days. The solution is a no rinse solution, even on Food-Contact Surfaces. The solution will also be used throughout the day for station to station cleaning of surfaces and equipment prior to children entering a new area.
- Provide and maintain hand hygiene stations for staff and children, including hand washing with soap and water and paper towels. An alcohol based hand sanitizer will be available in each area, where hand washing is not feasible.

Communication

- Implement mandatory health/temperature screening prior to camp entry before BCS staff can commence work each day and for enrolled students prior to camp entry each day.
- Maintain an up-to-date log of staff and children sign-in with health screening information.
- Maintain a cleaning log for camp and at each camp station throughout the day.
- Maintain complete contact information for all parents, and exercise immediately parent notification in the event that a child becomes ill. When a parent receives a call to pick up their ill child, pick up must take place within one hour after receiving the call.
- Communicate immediate notification of any suspected COVID-19 illness to the health department and follow all recommended CDC procedures.

Activities and Risks:

Berean Christian School will be taking health precautions this summer in an attempt to minimize the risk of contracting COVID-19 and/or other communicable diseases. However, I, Parent, acknowledge that BCS can only attempt to minimize the risk and cannot control who each camper or staff member comes into contact with outside of the BCS Preschool Summer Camp program. Further, while BCS will implement procedures to maintain social distancing, I, Parent, acknowledge that the BCS Preschool Summer Camp will have children attending and children do not always follow guidelines that are implemented.

Acknowledgement and Assumption of Risks:

I, Parent, have read and understand the protocol and expectations of the BCS Preschool Summer Camp and risk of exposure to the COVID-19 and/or other communicable diseases. After reading and understanding the aforementioned policies and procedures, I wish to enroll my child in the activities of the BCS Preschool Summer Camp.

AGREEMENTS OF RELEASE AND INDEMNITY:

I, Parent, for myself and, to the extent allowed by law, on behalf of my child, agree to release and discharge Berean Christian School and Grace Fellowship, and their respective directors, administrators, employees or related entities with respect to any and all claims related to contracting the COVID-19 or other communicable disease and any loss, bodily injury, or damages associated from it which I or my child may suffer, arising out of or in any way related to him/her being enrolled in the summer camp program, and on or off the camp premises. I further agree to indemnify (that is defend and pay, including

**Health Protocol
Waiver of Liability**

costs and attorney’s fees) and hold harmless the released parties from claims brought by the other member of my, or my child’s family, and claimed brought by other, include in other campers, who claim loss cause by my child, from and against any loss, damage, claim, suit, liability, demand, cost and/or expense, paid or incurred by a released party, or asserted against any of them (including attorney’s fees, court costs and disbursement) caused in whole or in part, by, or arising directly or indirectly of my child attending summer camp.

These agreements of release and indemnity include claims cause or claimed to be caused in whole or in part by the negligence of a release party. I understand that in signing this agreement, I, for myself and for my child(ren), to maximum extent allowable by law, surrender the right to make a claim or file a lawsuit against a released party.

I acknowledge that I have read this waiver/release of liability and fully understand that this is a release of liability. I am waiving any right that he or she may have to bring legal action to assert a claim against the release parties.

I, Parent, or legal guardian, have read and accepted the current health and safety protocol for the BCS Preschool Summer Camp in response to the COVID-19 pandemic and have read and accept the terms and conditions of this Agreement and acknowledge and agree that it shall, to the fullest extent allowable by law, be effective upon me and my child, and our respective heirs, personal representatives, estates and family members.
