**PARENTS AND STUDENTS PLEASE NOTE:**

- As a Christian, a person may wonder, "Should Christians study the classics of literature?" Christians should be aware that man's writings reflect his inner thoughts. This can be seen throughout a study of literature and the authors' lives. If we look at secular literature (classics) through discerning eyes, our own faith and testimony can be strengthened. The selections chosen for the reading list are either classic in nature or carry strong literary merit. Berean Christian School cannot be responsible for all content in every selection.
- Please be advised: copied, summarized, or paraphrased information from an internet source or any other source is unacceptable. THIS IS PLAGIARISM! Be sure to correctly document sources that are used and use your own thoughts based on what you have learned to complete ANY writing assignment. Common knowledge and your own thoughts do NOT need to be documented.
- MLA formatting and plagiarism will be covered in class during the first week of school.
