BEREAN CHRISTIAN SCHOOL

is a Christ-centered educational institution serving students in grades K2-12. Founded in 1964, our school just celebrated over 55 years of excellence in education. The student population of nearly 700 reflects a wonderful diversity. Berean Christian School has five core values of **TRUTH, DIVERSITY, EXCELLENCE, COMPASSION, and INTEGRITY**, and we think of them as the foundation of how we create a fertile program of academia, and our ultimate goal, to prepare each student for a fruitful life in every aspect of their development.

OUR MISSION

Berean Christian School exists in partnership with parents and the local church to **EMPOWER** students to walk as Jesus walked, **ENRICH** students with academics enveloped in a Biblically-based Christian world view, and help students **EXPERIENCE** their God-given and unique giftedness for success in the future.

VERSE

All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness, that the man of God may be complete, equipped for every good work.

ANNUAL CHILD ASSESSMENTS

Assessments are tools used to measure a child's personal, social, cognitive, as well as small and large muscle skills. After each assessment period, the teacher will schedule a conference with the parent/guardian to go over their child's assessment.

WHY BEREAN PRESCHOOL?

We believe that children learn best by being engaged in the learning process through developmentally appropriate practices. This is accomplished by providing children with inviting, stimulating classrooms and a comprehensive curriculum that addresses the spiritual, cognitive, physical, social and emotional, and developmental needs of each child.
